

WELCOME to a new school year!!!

Our PTO is excited to have all new and returning students and parents join Sycamore Elementary for the 2016-2017 school year! At Sycamore, we strive to make everyone feel welcome and appreciated in a positive environment that will help our students succeed as growing learners.

The PTO is here to help the school reach their goals in creating the best environment for our students. We do this by helping raise money to purchase items such as Chromebooks, reading programs like RAZ Kids, or water bottles for Mileage Club, just to name a few. We also help put on events such as Movie Nights, Edru Skate Nights, the Spring Carnival, and many more. We even help pop and sell popcorn on a weekly basis!

In order to make everything work, we need your help! The more hands on deck, the lighter the load for each person. Donating your time for a single task makes a world of difference! No job is too small. We will be sending home a form that asks what you would be interested in helping with, or maybe you would like to help start a new project! You don't have to be able to come into the school to help out during a set time, or even go to a meeting. We can communicate through email, or send things home with your child. We are flexible! Everyone is busy and we get it! ☺

Please look for our PTO Interest Form, fill it out, and send it back with your child. Thank you for helping make our school great!

Fundraiser Information

We will be launching our main fundraiser for the school year on August 19th, with an exciting assembly for the kids. We will be offering a lot of different products to pick from. There are PRIZES for those that sell items! The success of this fundraiser allows PTO to help out with so many programs/items for the school, and allows us to put on many fun events for our Sycamore families. Please look for this information to come home on August 19th, and help the school out by selling these items. Every item counts!

SYCAMORE **ELEMENTARY** **PTO NEWSLETTER**
