

Fundraiser Information

Our main Fall fundraiser is underway and we hope sales are going great! Remember to send in all money and orders by SEPTEMBER 9TH! A big Game Truck will be pulling in October 5th for our top sellers to spend some time in!

Box Top Class Competition

Thanks to those that have been sending in Box Tops! Each month, all Box Tops collected will be tallied, and the class that has the most will win a party. Make sure the Box Top sheets are clearly labeled with your child's name and teacher's name in order for credit to be given. We are also keeping track of which student sends in the most over the whole year, as we will have a special prize for them as well!!! Thanks for sending those BOX TOPS in!

Seeking Chairpersons for PTO Sponsored Events

We are looking for parents that would like to help with planning and executing PTO events such as Winter Walk Through, Movie Night, or Parents' Night Out. You do not need to make it to every PTO meeting to be a huge part of planning these events. An hour or two a week to plan, email, or contact people is all that is needed to make these events happen. Thank you in advance for your help!

School T-Shirts

We are working on a new t-shirt design to go along with this years' Olympics theme. Please look for an order form coming home towards the end of the month.

Dollar Fun Days for Technology

This year, we will be offering a chance to wear something fun to school and raise money at the same time. Our first opportunity will be August 30th. Bring in \$1 and come dressed/ready for the beach (no swimsuits please). You can come to school looking ready for the beach (don't forget your shoes for Kinetics if it's your day). This is a great opportunity to showcase your creativity!

PTO Dollars Well Spent

This month, the PTO has been hard at work helping Sycamore get off to a great start! So far this year, we have given each teacher a \$100 dollar grant to help buy supplies for their classroom! We have given money towards the second and third grade upcoming field trips. We have helped one teacher buy hooks for the classroom closet (no more coats on the floor). We even bought the school a laptop computer! If you want to be a part of the decision making process of how money is spent for our school, please feel free to come to our next meeting. Everyone is welcome!
